A Good Show at The Opera House This Week.

In spite of the warm weather a large crowd witnessed the performance of the May Hillman Co., at the opera house last night. "Claire of Old New York," a colonial drama by Geo. Rosener, was the bill. The play itself is an excellent one full of heart interest, strong in human emotions and an excellent vein of comedy runs throughout the entire bill. The costuming and the production of the play was magnificent.

Miss Hillman herself was charming in the role of Claire. Strong, impressive, gay and with all convincing and sincere. She handled her difficult role with a master hand that showed long years of study and sacrifice to her art. Geo. Rosener her leading man and author of the play shared honors equally with Miss Hillman. His acting as is his writing is finished and of the higher order. Frank Mayo made a strong Captain Butler. And Frank Christin played a rattling good Punch. Wayne Lyter and Miss Davenport handled the Indian roles in an artistic manner.

The specialties and electrical effects are up to the minute. The moving clouds and waters in the last act are very effective. Tonight Flood Tide will be produced and the opera house will be cooled by electric fans. Cool and refreshing drinks will be served between the acts free of charge.

## ADJUST YOUR SYSTEM!

If you lack strength and energy and a healthy appetite, and there's no apparent cause for the condition, take a good tonic. During warm weather one's system sometimes gets out of adjustment—some organ lags. All that is needed is something to stimulate it into natural, healthy action. Our Nerve and Blood Tonic is the remedy in such cases. It enriches the blood, tones the stomach, stimulates the liver and strengthens the nervous system. It will cause the return of your old, natural appetite and you'll enjoy your meals as well as ever. Often one bottle is all that's necessary to permanently restore normal conditions. Try it. If you are not satisfied your money will be refunded. Price, 75 cents.
